

AFTER THE MEET (2010)

Email a **BACKUP** of the meet as an attachment to league scoring officials – records@swimrcsl.org. This **must be** done by 11:00p.m. on the night of the meet. I hope this let's you enjoy your pizza party after the meet instead of having to spend the time delivering results. If you have problems emailing the backup, put it on the flash drive and bring it to Jones Valley Pool Thursday along with other paperwork. If errors are subsequently found in the meet, please resubmit meet results to scoring officials along with an explanation as soon as possible.

On Thursday you have a choice of two options:

1. Email a scanned PDF image or fax the Official Results Sheet, Master Score, and any deck add sheets to Chris Espy: records@swimrcsl.org, fax number (928) 752-5807. This is an internet fax number and is long distance. Retain the Results Sheet, Master Score Sheet, and pinks/blues in a safe place until the end of the season. You must be able to produce it if asked.
2. Alternately this may be brought to Jones Valley Pool. If a record is broken the paperwork and cards from the event must be delivered to the JV pool.

THIS MUST BE DELIVERED BY 12:00 NOON.

If you have any records broken the cards must be turned in. Bring the cards to Jones Valley Pool with your other paperwork on Thursday. Remember, all 3 times must be listed on the card.
